by various artists

SOPA004 – SOPA – December 15th 2007

SOPA DELICIOSA is the brand new double cd compilation from Danish label Sound Of Perpetual Astonishment. Two discs with a total of 44 tracks. More than two and a half hours of music from ten different countries: Denmark, Germany, Italy, Holland, USA, Canada, France, Belgium, Sicily and Bosnia.

SOPA DELICIOSA contains exclusive tracks by all the SOPA artists, but also loads of other music by a wide range of other musicians. The artists have made their way onto the compilation through the network that has all its little strings reaching out from SOPA. Altogether an exciting mix of genres, ideas and personalities.

On SOPA DELICIOSA you got your first-timers and your »old-timers« (some in new collaborations). There's the signed and unsigned. There's heartfelt acoustic ballads, electronic noise-fests, off-kilter lo-fi pop songs and in your face rap tunes.

From the liner notes by Capt. Daydream:  
"I see SOPA DELICIOSA as a journey. A trip for the open mind. Each song is an island in itself. An experience. An emotion. A little unique piece of personality, heart and expression.  
So feel free to move around with your senses alert and your heart wide open. I can't promise you that you will like it all. I know that / do, but we're all different people - as this compilation clearly shows. Have a taste, have a sip. Dig into the bits you like. And then why not continue your journey with the artists you like via their other work?"
